## Wedding FAQ

- Do you do more than one wedding in a day?

*No.*

- Are there minimum guest counts?

*No.*

- Are you open for wine tasting on our wedding day?

*We have changed our tasting room hours to close at 4pm instead of 6pm to accommodate your evening events.*

- Do you do the catering or coordination?

*Youngberg Hill doesn't do catering or wedding coordination. Willabys Catering & Event Design Catering <http://willabyscatering.com/> is our preferred full-service caterer and will provide both catering and day coordination. You can use ANY full-service caterer of your choice. If another licensed caterer is used, you are required to hire the onsite/day of manager on our vendor list.*

- Music & AV equipment:

- *Dj's, live music, and iPhone/iPad players are all allowed. If the music is outside the building, a separate music contract is required to keep things fun, but not out of control. If inside, there is no noise limit if the doors are closed. We have two 75" Apple TV's for you to show videos or photos.*

- How do the beverages work?

*Pricing for beverages is based on actual consumption. We do not have minimum case purchase requirements and you are charged for what you use. A hosted bar is required. We do not offer cash bars. Our standard bar includes wine, beer, sparkling cider & sodas. Champagne/Prosecco/Sparkling are available options. There is also an option to add mixed or cocktail drinks to the bar. Saturday weddings from June to mid-October have a 100-person standard bar minimum. All other days have a 50-person standard bar minimum. Non-alcoholic bars are an option at \$12/pp.*

Wedding FAQ  
(continued)

Can we bring in our own wine?

*Yes, with corkage. All alcoholic beverages must be managed and approved in advance by Youngberg Hill and serviced by our staff.*

- What are the wedding hours?

*Afternoon weddings can be scheduled Sunday-Thursday and are from 11:30-3:30pm. Evening wedding's access to the property begins at 12:30 the day of the wedding. An evening wedding is typically from 5-10pm. Times may be adjusted based on individual needs. We will never do 2 weddings in one day.*

- How are the Inn rooms managed?

*Afternoon weddings do not require Inn rental. This option is not available June-October weekends. For evening weddings, all 9 rooms are required to be rented by wedding guests. Rooms can be paid by the individuals staying in the rooms, as a group, or any combination of the two. For more room information visit <https://youngberghill.com/guest-rooms/> A deposit of \$1,400 is taken to hold the rooms. This deposit is applied to the balance of the wedding.*

- How do I secure my date?

*Once you have selected your date, Youngberg Hill will draft a contract outlining your event and deposit schedule. You then have one week to review, sign the contract and send it back to us with your first deposit payment. Upon receiving the signed contract and processed deposit, your date is guaranteed.*

- How do we schedule ceremony rehearsals prior to the wedding?

*Wedding rehearsals may be scheduled by appointment 30 days prior to the wedding and are subject to availability of the site. Most of our weddings run through a rehearsal the day of the wedding.*
